TO WHOM IT MAY CONCERN

This is to certify that our PR 600 Mobile Fall Protection System comprises of the following components,

- Roof cart
- Pivot arm
- Ballast basket
- Ballast weight
- Ballast extension arm
- Accessory plate

The PR 600 is designed to provide protection according to the fall protection requirements of the OHS Reg. (B.C Reg. 404/2012).

Mobile Fall Protection System must be assembled, maintained, and operated according to SPAR Marathon operation manual to meet the required safety regulations (manual attached).

The PR 600 is a temporary fall restraint system comprised of a lifeline/ lanyard that meets the requirements of section 26.7.

The PR 600 provides fall protection for up to 2 people at one time, with 1 for fall arrest and 1 for fall restraint.
