

# SPAR-Marathon

## ROOFING EQUIPMENT

### Ultimate Mover FG-1000

Designed for crews laying massive SQFT of flat roof, the Ultimate Mover is built to move materials faster, safer, and with less labour.

- Move your TPO + EPDM rolls with ease.
- Lift and transport up to 2 skids of ISO at a time. Get your jobs done faster and easier — every single day.
- Lifting capacity = 800lbs
